## Phonexa Partnership Program

When you become a Phonexa partner, you not only enjoy our exclusive partnership benefits, but you'll also pass along significant perks to the business or person you refer. Our dual-sided rewards allow you to approach your contacts with the direct value of our platform and a premium discount.

The program is separated into Integration, Agency, and Referral Partner designations. All partners have exclusive access to different benefit tiers that unlock more rewards as they ascend.

We look forward to sharing these opportunities with you and your network, setting a foundation for long-term success and prosperity.

## 02 |

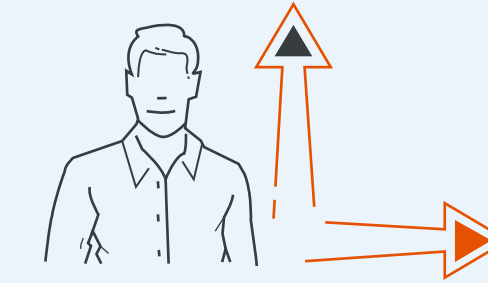

# Integration Partner

### ● Integration Partnership

Some of the best software companies and applications in the world have already built an integration with Phonexa. Apply to the Integration Partnership Program to develop an alliance with our platform. Grow shared customers, reach a larger audience, and generate residual revenue.

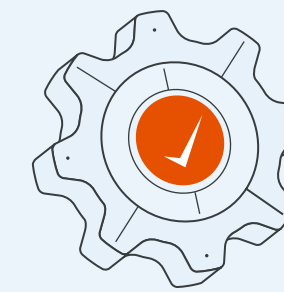

### ● Are You a Good Fit?

Integration Partners merge Phonexa solutions with relevant technologies.

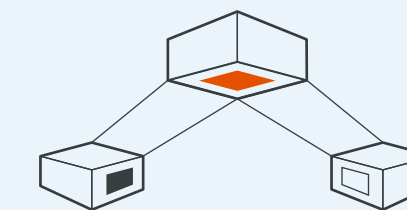

#### Shared Customers

Those with customers already using Phonexa or customers that would benefit from using our platform are ideal Integration Partners.

#### Relevant Technology

If you're building software that would complement our tracking and analytics platform, we should talk.

#### Ready to Integrate

We encourage developers eager to tinker with our APIs to get in touch.

## Agency Partner

- **Agency Partnership**

Phonexa's Agency Partnership Program is for businesses and consultants who want to promote growth by providing their clients with an exceptional SaaS solution for Call Tracking, Lead Distribution and Analytics, and Email Marketing.

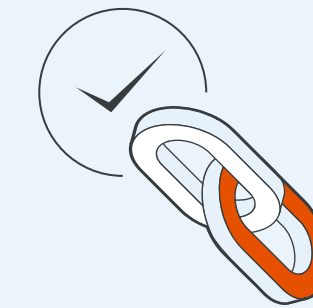

- **Are You a Good Fit?**

Phonexa's Agency Partnership Program is ideal for consultants, implementation specialists, and business advisers.

### **Consultants, Coaches, and Trainers**

Professionals who want to offer more value to your clients.

### **Implementation Specialists**

Experts who recommend software solutions and/or migrate data from existing systems.

### **Business Advisers**

Advisers who work with executives to make organizational changes in businesses and recommend software.

## Referral Partner

- **Referral Partnership**

The ideal candidates for Phonexa’s Referral Partnership Program include Phonexa users, well-connected professionals, or simply anyone who has a client or colleague that will benefit from the Phonexa platform. Not only can Referral Partners receive and offer discounts; they will also have the ability to generate recurring revenue.

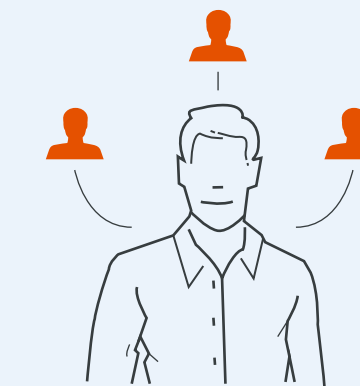

- **Are You a Good Fit?**

Referral Partners are any people or businesses that refer companies and clients to utilize Phonexa.

### **Phonexa User**

If you’re already using Phonexa in your tech stack you are a great fit for this

### **Large Network**

Are you someone who is well-connected across multiple industries? You can turn your connections into revenue.

## Why Refer Phonexa

- **Dual-Value Rewards**

Our dual-sided rewards allow you to approach your contacts with the direct value of our platform with an added monthly discount of 10% when they sign up\*. Your referral will receive a monthly discount for the first 12 months term of their use of the platform, just for being referred by you

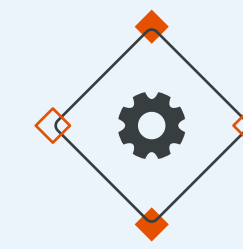

- **The Phonexa Difference**

Since our founding, we have set ourselves apart by providing customers with creative solutions using first-hand industry knowledge and extraordinary technology. From our advances in call tracking, lead distribution, and email marketing to new frontiers of marketing innovation, we remain trailblazers dedicated to the success of our partners.

### **Details**

Phonexa cares about the small things. Our intuitive features and robust platforms reflect our inclination for excellence.

### **Innovation**

We refuse to get comfortable with our current technology. Our exceptional team is composed of relentless creators.

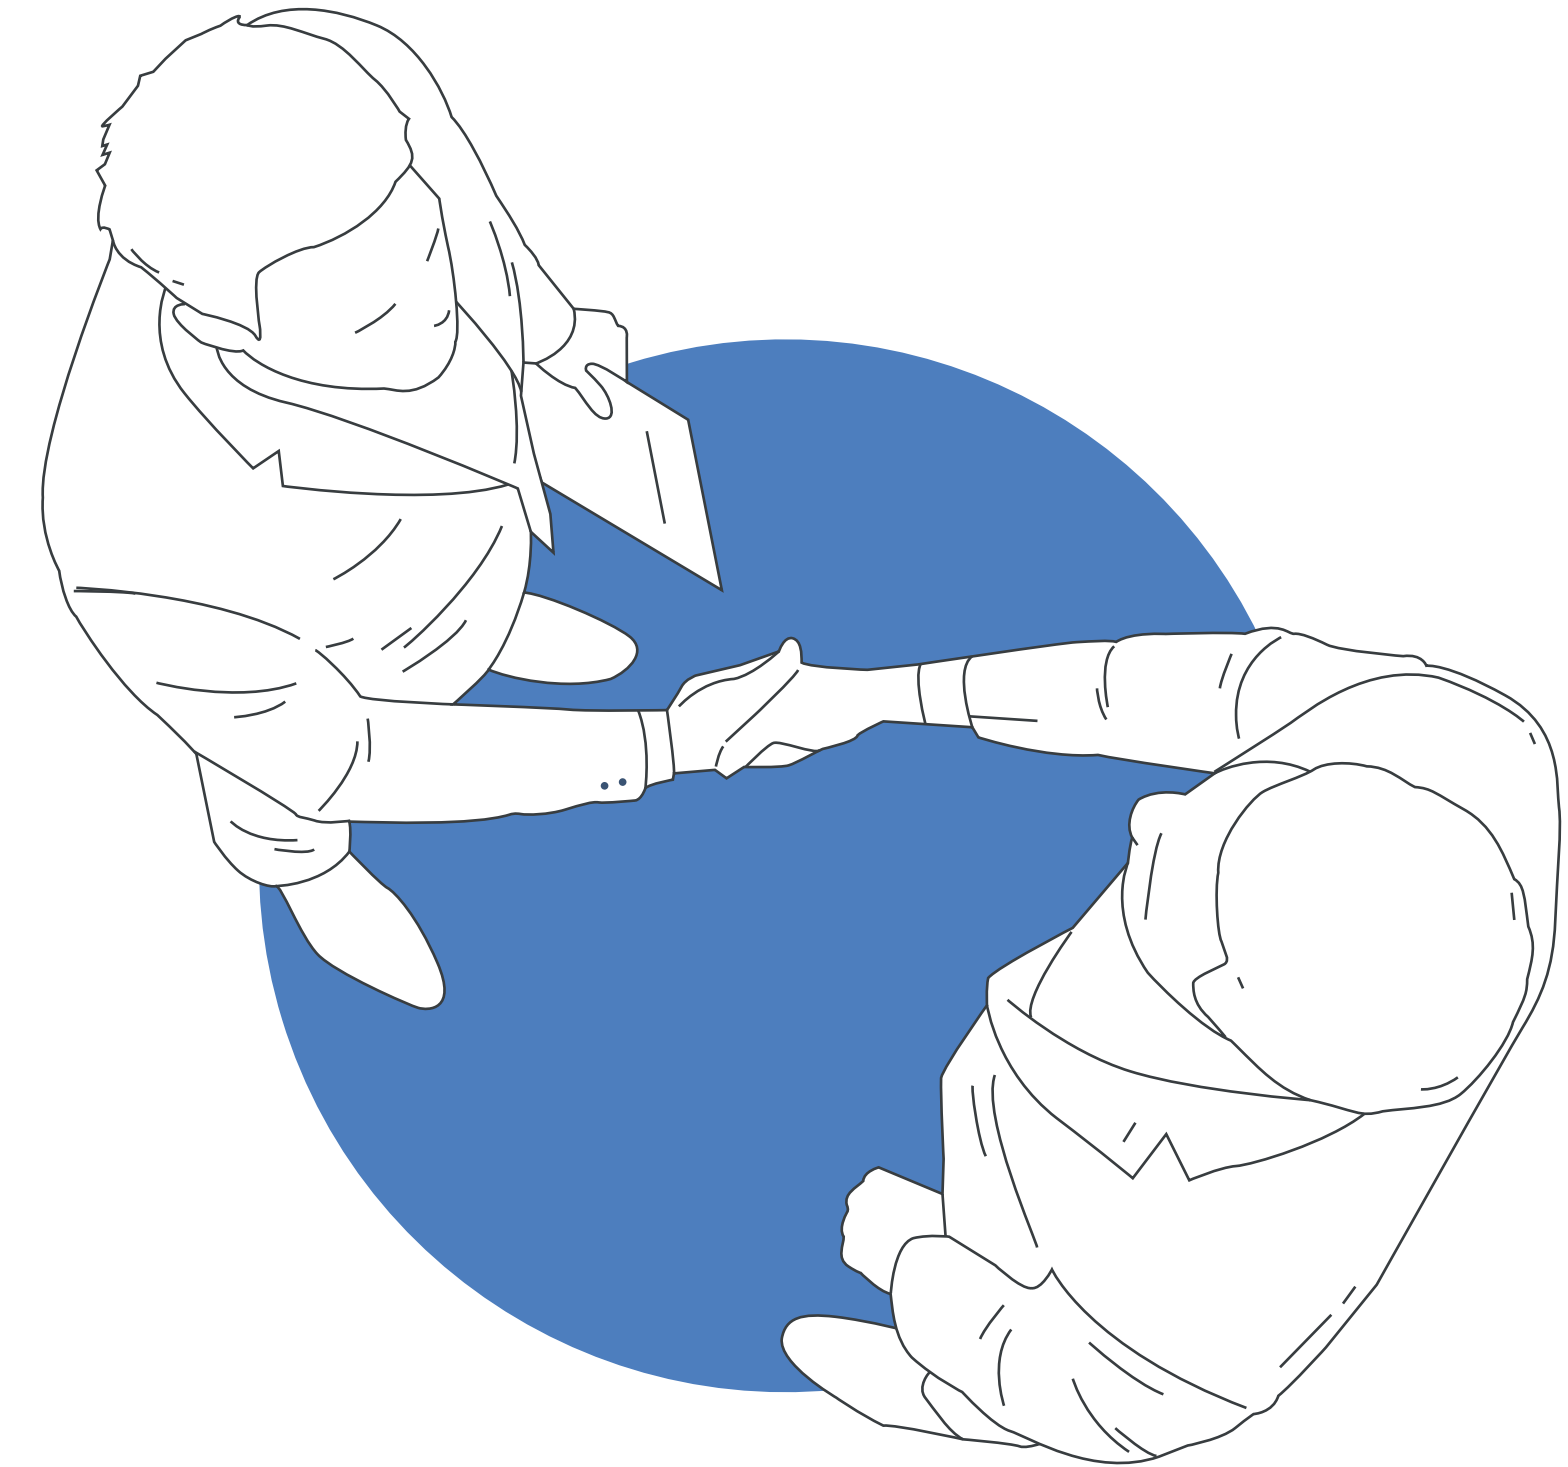

### **Relationships**

Above all, Phonexa values relationships. We will go above and beyond for you because your success is our main objective.

## 06 | Program Overview: Benefits for All Partners

- Phonexa Partners receive a 10% revenue share per month on the first 12-month term of each new referral's contract.
- The referral receives 10% off the first 12-month term of their contract when they sign up for Phonexa.
- Upon completion of the 12-month term, partners will receive a 2% revenue share per month for each referral's annual contract renewal for the lifetime of the client.
- Partners gain additional benefits based on the number of clients they refer to Phonexa.
